## WELCOME

As a City of Chicago employee, you have access to a wide variety of benefits. Your benefits are designed to help keep you and your family healthy and financially secure with coverage options that feature choice, flexibility, and tax-savings.

Annually, the Chicago Benefits Office coordinates an Open Enrollment period to allow you and your family to review your coverage and make changes or add a new benefit, as desired. This year, Open Enrollment is from **October 13, 2021 through October 27, 2021**, with **changes effective January 1, 2022**.

This Healthcare and Other Benefits Open Enrollment Guide is intended to provide an overview of the benefits available and the deadlines associated with the annual Open Enrollment process. Included in this Guide are summary explanations of benefits as well as contact information for each provider. Be sure to pay close attention to applicable co-payments and deductibles, preauthorization requirements, and some services that may be limited or not covered.

Every effort has been made to ensure that the information in this Guide is accurate; however, the provisions of the City Plan document and subsequent updates always supersede this summary. Copies of the Plan document is available at **[www.chicago.gov/benefits](http://www.chicago.gov/benefits)**.

It is your responsibility, before you enroll or change your benefits, to make sure you understand the Plan. If you have any questions contact the **Benefits Service Center at 1-877-299-5111**.

Sincerely,

Chicago Benefits Office

## WHAT CAN I DO DURING OPEN ENROLLMENT?

- Enroll in or cancel your medical, vision and dental insurance

## HOW DO I MAKE CHANGES?

You are strongly encouraged to go **online** at **[www.cityofchicagobenefits.org](http://www.cityofchicagobenefits.org)** to make changes. The deadline to make changes is October 27, 2021, by 11:59 p.m. You may also call the **Benefits Service Center at 1-877-299-5111**.

During Open Enrollment, the Benefits Service Center hotline will be available Monday through Friday from 8:00 a.m. until 7:00 p.m.

**If you have multiple pages to submit, you must scan all pages into one document before uploading.**

**(Only one document can be uploaded)**

## CHECK YOUR BENEFITS COVERAGE SHEET

Your 2021 personalized Benefits Coverage Sheet is included with this Guide. The medical, dental and vision enrollment listed on your Benefits Coverage Sheet will remain the same for 2022 unless you make changes during the open enrollment period which runs October 13, 2021 through October 27, 2021. You must enroll or re-enroll to participate in the healthcare FSA in 2022.

Dependent children who reach the age of 26 (30 for unmarried military) are automatically terminated from the City's health plan on the last day of the month of his/her birthday. Special rules apply to disabled dependents. For additional information regarding disabled dependents contact the Benefits Service Center at 1-877-299-5111.

**Check the personalized Benefits Coverage Sheet to make sure the information is correct for you and your dependents. Call the Benefits Service Center to update any of this information for dependents:**

- Name and birthdate of a dependent.
- Social Security number of the dependent if marked as "N". Federal law requires us to ask for the Social Security number for everyone enrolled in the City's health plans.

**IF YOUR HOME ADDRESS CHANGES** - Contact your Department's Human Resources Representative to update your address on file with the City. The Chicago Benefits Service Center cannot change your home address on record.

**ENROLLMENT CHANGES THROUGHOUT THE YEAR** - Benefit enrollment changes are allowed throughout the year only if you have a qualifying life event such as marriage, divorce, birth or adoption of a child or loss of coverage through your spouse, civil union or domestic partner. Call the Benefits Service Center within 30 days of the qualifying life event date. If you try to make these changes as an open enrollment change, the coverage will not go into effect until January 1, 2022. You must provide documents to prove the qualifying life event within 60 days of the event. For information about qualifying life events visit [www.cityofchicagobenefits.org](http://www.cityofchicagobenefits.org).

**Below are some common events:**

<b>LEGAL MARITAL STATUS</b> Marriage, establishment of civil union, dissolving civil union, divorce, death	<b>DEPENDENTS</b> Birth, adoption, legal guardian for a child
<b>COURT ORDER FOR DEPENDENT</b> Coverage for the employee's dependent resulting from a court order (QMCSO, "Qualified Medical Child Support Order")	<b>GAIN/LOSS OF COVERAGE</b> Your spouse/civil union partner/same sex domestic partner/dependents loses coverage

**Please note:** Qualifying life events are effective on the event date but open enrollment changes are effective January 1, 2022. When you call the Benefits Service Center to report a qualifying life event change during the open enrollment period, be sure to explain that you are calling about a qualifying life change event and ask for benefits to be effective on the event date.

**Step 9:** Verify who is covered. Be sure to look at the separate tabs for each plan (medical, dental, vision). Remember to check the box for each dependent being added to each plan.

**Step 10:** Enrollment. When adding a dependent, you **MUST** add the dependent to **EACH PLAN** otherwise the dependent won't be covered in that plan. If you switch plans (example HMO to PPO) you have added a new plan and you **MUST** add dependents to cover them; this means if you fail to add your dependents to the new plan they won't be covered.

Each plan has it's own tab. Select eligible benefits to enroll under each tab:

- Medical – choose eligible plan: Blue Advantage HMO, PPO, Waive
- Dental – Dental HMO, PPO, Waive
- Vision – Davis Vision

### Terms and Conditions

Defrauding or misleading the Plan about my eligibility or the eligibility of my dependents, my failure to timely remove an ineligible dependent (such as a former spouse following divorce) from coverage, or continuing to submit claims to the Plan after the date of loss of eligibility may result in my dependents and I becoming ineligible for benefits effective immediately and possibly retroactively. Further, fraudulent or misleading conduct on my part may result in discipline, up to and including termination of employment. Finally, if the Plan mistakenly pays benefits to an ineligible person or incurs fees as a result of such conduct on my part, the Plan may pursue collection or elect to offset any such amounts against any future benefits otherwise due me or my dependents. Lastly, failure to timely notify the City of a PHSA COBRA qualifying event (such as divorce or death) will result in a loss of eligibility for PHSA COBRA continuation coverage.

**Acknowledgement.** I have reviewed the information summarizing the benefits available under the provisions outlined in the governing Plan document and summary and I understand the benefits available to me as well as the rights and obligations I have under the Plan.

**Authorization.** By submitting my elections, I authorize the City of Chicago to deduct my share of the cost of this coverage from my pay. I understand that any election is prospective only. This authorization remains in effect until the coverage is canceled or I otherwise revoke this election.

I also understand that, if my share of the cost of coverage increases or decreases with respect to a new year, and under the terms of the respective plan, I am required to make a corresponding change in payments; the Plan will automatically increase or decrease my corresponding deductions. In addition, if the cost of participation in the applicable City plan increased during the calendar year, or any prior calendar year, and, under the terms of the plan, I was required to make a corresponding change in payments, but the City has not yet implemented such change or did not become aware of such change until after the fact (for example, because of the retroactive effects of collective bargaining), the City may, on a reasonable and consistent basis, require me to pay the difference.

I also understand that once the enrollment period is closed, my elections cannot be changed until the next open enrollment period unless I experience an election change event during the year, as set forth in the City of Chicago Pre-Tax Contribution Plan Summary, and timely request to make a change as a result of such election change event.

### To do

If a new dependent has been added, coverage changes will not go into effect until documentation has been received and approved by the City of Chicago. Federal Law requires us to ask for the Social Security Number for anyone enrolled in City Health plans. If you are still awaiting issuance of a Social Security card, do not delay submitting other documents or information. If available, upload a copy of the Social Security card with the Marriage or Birth Certificates required. If your dependent cannot provide a Social Security Number but has an Individual Taxpayer Identification Number (ITIN), provide that number. Here is the list of documents you are required to provide to finalize the enrollment.

If you are adding new dependents, your next step is to submit eligibility documentation (marriage or birth certificate, adoption or legal guardianship paperwork).

## PPO SAVINGS

### SAVE BY USING DOCTORS AND HOSPITALS IN THE PPO TIER 1 NETWORK:

The PPO gives you freedom to choose from three different network tiers. You can select doctors and hospitals (providers) from Tier 1 for some of your care, and use Tier 2 or Tier 3 providers for other services. You pay the lowest deductible and coinsurance when you use providers in Tier 1. To find a Tier 1 provider, call 1-800-772-6895 or go to [www.bcbsil.com/cityofchicago](http://www.bcbsil.com/cityofchicago).

---

### TWO WAYS TO SAVE ON PRESCRIPTION MEDICATIONS:...

- 1 Choose generic medications and pay the lowest copay.
- 2 Use mail order for long term “maintenance” medications. You will pay more if you don’t use mail order for long term medications after the 3rd fill. Just call 1-866-748-0028 and ask CVS Caremark to contact your doctor for a new prescription to be processed through mail order.

---

### SAVE ON LAB TESTS – USE A FREE-STANDING LAB:

Get your routine lab tests paid in full by using a free-standing lab (such as a Quest lab) which is not affiliated with a hospital. Even if your doctor already has an arrangement with Quest, ask for a lab order for tests to be done at a Quest free-standing facility. Take this paperwork or the order form from your doctor to the free-standing Quest lab and test results will be sent directly to your doctor. Call 1-866-697-8378 to find the location of a Quest lab near you, or go to [www.Questdiagnostics.com](http://www.Questdiagnostics.com).

---

### SAVE ON SCANS - USE A FREE-STANDING IMAGING CENTER:

Scans are covered in full if done at a free-standing imaging center. When your doctor orders an MRI, CT, or PET scan, call Telligen at 1-800-373-3727 to pre-certify the test and locate a free-standing imaging center near you.

## SIGN UP FOR FLEXIBLE SPENDING ACCOUNT (Healthcare)

Administered by ConnectYourCare/Optum Financial

**You must enroll or re-enroll for an FSA each year during Open Enrollment**

### WHAT IS AN FSA?

A Flexible Spending Account (FSA) is a tax-advantaged account that allows you to use pre-tax dollars to pay for qualified medical expenses. You choose how much money you want to contribute to an FSA at the beginning of each year and can access these funds throughout the year. This contribution is subject to certain legal limits. There are minimum and maximum contribution requirements. More information is provided below.

### HEALTHCARE FSA SUMMARY

- **MULTIPLE USES.** There are hundreds of eligible expenses for your FSA funds, including prescriptions, some over-the-counter items, doctor office copays, health insurance deductibles and coinsurance. FSA funds may even be used for eligible expenses for your spouse or federal tax dependents.
- **EASY TO ACCESS.** Funds in the account are easily accessed with the payment card. Your account balance is available at any time **online**, through the mobile app, or over the phone.
- **TAX ADVANTAGES.** Since FSA contributions are not taxed, you can reduce your taxable income by the amount you contribute to your FSA. You can then use those pre-tax dollars to pay for eligible health care expenses that would have otherwise been paid with post-tax dollars.
- **RAPID REIMBURSEMENTS.** Paying for health care expenses is easy when you use your payment card. If you do not use your card, you can quickly and easily create your claim **online**. Once you submit your receipts, you will be reimbursed via check or direct deposit.

### USE IT OR LOSE IT

The IRS requires that any money left in your account at the end of the year will be forfeited, after a grace period. For 2022 the grace period ends March 15, 2023. You will have until March 31, 2023 to submit your 2022 expenses.

### FSA RULES & REGULATIONS

- The IRS requires that all FSA purchases be verified as eligible expenses. Sometimes, purchases are automatically verified when you use your payment card. Other times, you will need to submit itemized receipts or medical claims information. **Always save your itemized receipts!**

•At the present time, **healthcare FSA contributions are limited by the IRS to \$2,750 each year.** The limit is per person; a husband and wife may each contribute up to the limit.

•The IRS requires that employers make the full annual healthcare FSA election available to employees when an eligible expense occurs, regardless of whether you have deposited enough to cover the full amount at that point in time.

For example, let's say you choose to contribute \$1,200 per year, equal to a payroll deduction of \$100 a month. You are eligible for reimbursement up to the full \$1,200 in the first month, even though you have only deposited \$100 in your account. Remaining deductions will be taken from your pay during the rest of the plan year.

### **MINIMUM/MAXIMUM CONTRIBUTIONS TO THE HEALTH CARE FSA**

To participate in the healthcare FSA, you must contribute a minimum of \$120 and up to a maximum of \$2,750 per calendar year. The Internal Revenue Service may increase the maximum amount.

The annual pledge amount will be divided equally among each pay period for the calendar year.

## REMINDERS

### A REMINDER ABOUT FRAUD

Any kind of fraud on the City of Chicago's benefit plans may result in adverse consequences to an employee and dependent, for example:

- Failure to notify the City Benefits Service Center of an event that would cause coverage to end, e.g. divorce.
- Misrepresentation by the employee or dependent regarding the initial eligibility, for example, the dependent's age, or that the dependent is not a legal dependent of the employee.
- Any attempt to assign or transfer coverage to someone else (e.g. letting another person use your Plan ID card).

The employee will be required to pay for any claims and all administrative costs that were incurred fraudulently. This may result in coverage being terminated for the employee and action by the City to collect any money paid. The City may also discipline the employee, up to and including termination.

### DIVORCED SPOUSE'S HEALTH COVERAGE

If an employee becomes divorced, he/she must follow the procedure outlined in the City's Plan document available at [www.cityofchicagobenefits.org](http://www.cityofchicagobenefits.org) **which includes notifying the Benefits Service Center online (or by calling) within 30 days of the date of the divorce, and by submitting the certified divorce decree.**

To notify the Chicago Benefits Center **online**, log in at [www.cityofchicagobenefits.org](http://www.cityofchicagobenefits.org), click on "Life Events" then select "Divorce" and follow the prompts. To notify by phone, call 1-877-299-5111. **Review the City's plan document at the website above for more information.**

Failure to comply with the procedure will result in the employee being held liable for any healthcare claims and related expenses incurred by the ex-spouse as of the date of the divorce.

## CITY OF CHICAGO MEDICAL PPO PLANS (“MEDICAL PLANS”)

### NOTICE TO ENROLLEES OF MENTAL HEALTH PARITY AND ADDICTION EQUITY ACT EXEMPTION FOR 2021

Generally, group health plans sponsored by state and local governmental employers, such as the City of Chicago (the “City” or “plan sponsor”) must comply with federal law requirements in title XXVII of the Public Health Service Act, and the amendments thereto set forth in the Mental Health Parity and Addiction Equity Act. However, these governmental employers are permitted to elect to exempt a plan from all of the requirements listed below for any part of the plan that is self-funded by the employer rather than provided through a health insurance policy. The purpose of this Notice is to inform you that the City of Chicago has elected to exempt the City of Chicago Medical PPO Plans as follows:

- 1.** Protections against having benefits for mental health and substance use disorders be subject to more restrictions than apply to medical and surgical benefits covered by the plan (sometimes referred to as “mental health parity requirements”). The plan sponsor has elected to maintain the existing terms and conditions of the Medical Plans by exempting the Medical Plans from this requirement. Therefore, the City will continue in place the current requirement that Plan Participants who receive outpatient mental health and substance abuse treatment by a behavioral health specialist must obtain pre-certification by a Medical Advisor, under the Plans’ Medical Advisor Review Program, after the first ten sessions each year with one or more such providers. This requirement will continue in effect for the 2022 plan year (beginning January 1, 2022, and ending December 31, 2022), and may be renewed for subsequent plan years pursuant to a subsequent exemption election, unless modified through the collective bargaining process.
- 2.** Protection against limiting hospital stays in connection with the birth of a child to less than 48 hours for a vaginal delivery, and 96 hours for a cesarean section. The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.
- 3.** Certain requirements to provide benefits for breast reconstruction after a mastectomy. The Medical Plans currently meet this requirement and thus this requirement will continue to apply under the terms of the Medical Plans without exception.
- 4.** Continued coverage for up to one year for a dependent child who is covered as a dependent under the plan solely based on student status, who takes a medically necessary leave of absence from a postsecondary educational institution. The Medical Plans no longer use student status and provides an opportunity to elect coverage to age 26 and thus this requirement currently applies under the terms of the Medical Plans without exception.

## ANNUAL HEALTHCARE REMINDER

As required by the Women’s Health and Cancer Rights Act of 1998, each medical plan offered by the City of Chicago provides benefits for mastectomy related services including reconstruction and surgery to achieve symmetry between breasts, as well as prostheses and complications resulting from a mastectomy (including lymphedema).
